### LOCAL AND PERSONAL.

MISS CARRIE FENDORF, MILLINER AND DRESSMAKER. Keeps constantly on hand the Latest Styles of Millinery goods and notions.

She is also Agent for the SINGER and LYON Sewing Machines. TUSCUMBIA, MISSOURI. [15 Sm]

—Pleasant rain Monday night.

—Wm. M. Lumpkin has finished a large and commodious barn.

—Rev. J. M. Hardy will preach at the Court House next Sunday.

—Joe Cummings has in stock a new supply of groceries and notions.

—Judge L. Bacon and lady have our many thanks for garden vegetables.

—Black Hills passed down last Sunday in charge of large railroad the rats.

—Tuesday, Wednesday and Saturday—the grinding days at the Anchor Mills. [20ft.]

—Our obligations to Mr. Wheeler of Glaze for S. C. pine cones for cabinet in BANNER office.

—Hon. F. E. Lombard and lady visited our town last Friday; were the guests of Capt. T. B. Robinson.

—We have been informed that a heavy rain storm occurred at California and Jefferson City last Sunday evening.

—Uncle Dan Cummings and lady visited Rocky Mt. last week, report farmers in a prosperous condition in that section.

—Mrs. F. E. Lombard presented BANNER office with beautiful sea shells last Friday, our many obligations.

—Mike Zieh, of Jim Henry, was in Tuesday and told us he would commence cutting wheat yesterday.

—Wm. Sone has been running a tri-weekly hack from this place to Jefferson City, the past two weeks, and intends continuing it.

—Mr. Louis Lessem will go to Osage City next Monday, and thence to St. Louis, where he will remain several weeks.

—Steamer Emma, remained at our wharf last Sunday and departed early Monday morn for Osage City; freighted with R. R. ties.

—The news from all sections of the State are that wheat will be an average crop and corn looks well—better times in the future we anticipate.

—Wm. Padget has finished his fine mansion at Spring Garden; he has one of the most beautiful farms with improvements to that neighborhood.

—The Anchor mills are in daily operation, grinding and sawing. Grinding for the 8th and giving guaranteed satisfaction in good turn-outs. Orders for lumber solicited.

—Mr. Henry Wood, one of the oldest pioneers of this county, was in to see us last Friday. He is a resident of the Gravois and says their crops are fine.

—Mrs. Capt. T. B. Robinson and Mrs. F. E. Lombard brightened our sanctum last Friday by a pleasant call and compliments. God bless the dear ladies.

—A man arrived at this place Tuesday with a double team and log wagon to haul walnut logs for shipment, in the log, to Indianapolis.

—E. R. Dooly residing near Spring Garden is suffering from cancer on the face and rheumatism of the stomach we understand his case is critical.

—John Pogleman requests all who are hot and thirsty to call and see him over his huge pile of ice, where he keeps Geo. Wagner's best bottle beer and other refreshments.

—Osage river has receded till it is fordable at many places, small boats can navigate from the appearance of the heavy clouds west yesterday we may look for better river in a few days.

—Last week we met Mrs. Abigail Padget at Locust Mount, she reports her daughter Maggy and son-in-law John Dooly doing well in Southern Kansas. Good luck to the young couple.

—A large lot of the Arbuckle roasted coffee has been received at Joe Cummings's. It is of good coffee and more evenly roasted than can be done by the ordinary process, only 25c a pound.

—Tomson wants to know whether the county officials own the people or do the people own them—For his edification we are authorized to say that the County officials do not belong to the Scab Party.

—J. B. Blume keeps everything to comfort the weary and thirsty on our Main & Harrison sts. at the new depot for the Russellville railway in Jeff City—when in Jeff City call and see Blume.

[25 ft.]

—Rev. Eugene Springer preached to a good audience last Saturday and Sunday evenings in the Court house. Although he is a young minister, he made his arguments well timed; all who have spoken in our presence express satisfaction towards Mr. S. as a minister.

—Last Monday a case was tried before Judge H. H. Jenkins, wherein two women were made defendants and one a prosecuting

witness; for assault and battery, the jury failed to agree; the second hitch will take place next Monday. Swallen atty. for State and Esq. Williams for defence.

—A terrible fight is reported as having taken place at Spring Garden last week: between parties never known to have made a way face in anger during life. The parties combatant were half mile apart, one in the corner of the fence with a club in hand, the other behind Billy Lumpkin's barn with a shaved board—No blood nor bones broken. Pugilists should keep cool these hot days.

—MARRIED.—June 5th, 1879; at the parsonage of the Jefferson City circuit, by Rev. B. Springer, Reuben Smith of Russellville, Mo., to Miss Grace S. Russell of California, Mo., accompanied by Dr. Simpson and Miss Mary Merrett of Russellville. The parties were of their youthful days; our neighbors and acquaintances. May the God of peace, happiness and prosperity abide with them through the rough rugged road of time and crown them as of the chosen ones in a better world.

—List of unclaimed letters remaining in the P. O. at Tusculumbia, Mo., June 1st, 1879, and if not taken out within thirty days will be sent to Deadletter office, Washington, D. C.

Mr. Silas E. Aseman, Mr. Wm. McDonald, " Ransom Moody, " Wm. H. Moyer, " Frederick Lampe, " F. G. Hall, " John Carroll, " Miss Mattie J. Golden, " A. Blunt, " Anna Andrews, Elizabeth Howell.

Persons calling for these letters will please say they are advertised. M. LESSEM, P. M.

—Our old friend John Sonning has purchased the fine farm and body of land known as the M. S. Carter tract opposite Humphreys creek on the Osage river, containing near 600 acres; he will make two or three farms for his sons and may occupy the ferry place himself. We are glad to welcome such good old friends to Miller Co. There are two other old acquaintances in Cole we hope to greet in a short time and trust that the farms we have in view will fall in their hands—men of money and energy are the spinal column of a country. Come on Cas and Louie.

—"Beautiful Crows." Our young friend, Jo. Cummings, always up to the times, has contributed two specimens to our art gallery, what is termed by some "beautiful crows" for the Sunday School children at this place.

—Any one may see by calling—one has the inscription:

"Tale you child'n am de bestest!" The other, when folded says:

"A melancholy pair they were, with troubles sore oppressed."

When unfolded:

"And now they are a happy pair, With every comfort blessed."

A Jefferson City correspondent to the Sedalia Democrat says, the board of Immigration met on the 6th inst., and after organization as required by law, adjourned to meet in St. Louis, which is to be its headquarters. The members thereof are sanguine of accomplishing much good in the way of inducing immigration to this State.

—Preaching.

Rev. Eugene Springer, M. E. Church South, preached at Tusculumbia last Saturday eve., from Rev. 22-17; "And the spirit and the bride say come," &c.

Sunday morn at Flatwoods; Luke 14-17, "And sent his servant at supper time, to say to them that were bidden, come, &c. In the evening at same place. Rom. 5-10; "For if when we were enemies, we were reconciled to God by the death of his son; &c."

At Tusculumbia Sunday night, 1st Kings 20-40, "And as the servant was busy here and there, he was gone, &c."

—Home Insurance.

Hon. A. B. Brock, W. R. Jones and C. C. Brown of Morgan; T. J. Hart, M. M. Yarnall and Eli Blackstone of Monticau, and Hon. S. T. Harrison, J. B. White and W. T. Franklin of Miller are directors.

This home insurance against fire is just what we need if properly managed, as thousands of dollars leave the State annually for the benefit of eastern insurance companies. It costs \$1.50 to be a member fire years and twenty-five cents on each hundred dollars your house is valued at in case of fire. This is business and will be much better for our farmers and cheaper than it has been with eastern agents.

Our friend W. M. Lumpkin, Esq., is a member of this association and takes the application of any of the citizens wishing to become members.

—"Is John Ferguson a tax-payer? Who got the \$10.00 he paid for the advertising of his land?"

"Readers ask Esq. John Ferguson if the BANNER man got any money out of him for its reasonable work—Tomson's Vindicator."

The above locals appear in last week's Vindicator, evidently intending to make a false impression on the minds of the few readers, before whom Tomson appears—we do not know whether John Ferguson is a tax payer or not. We never got \$10.00 nor any other amount of him for advertising his land.

Mr. Wm. Birdsong was a party in interest with Esq. Ferguson, with whom we made the arrangement at half legal rates and Esq. F. knows such to be the case.

It is a well understood principle; that if a person will make a statement avowedly for the purpose of making a false impression on the minds of the hearers or readers, the party making the statement is guilty of LYING and in common parlance is classed with all the wicked and depraved that the English vocabulary can denominate.

### Union's Ridge Locals.

—We have been informed that Judge H. Reed's son John, has, within the last week, killed a large rattlesnake having eleven rattles and a button.

—Too Rev. N. E. Boyce will deliver a sermon at No. 4 school house on the first Sabbath in July at 3 o'clock p. m. All are cordially invited to attend, and what is more, in their better behavior.

—Will there be any kind of a social gathering on the 4th of July on this side of the river? We would suggest that there might be a good time on that day at the arbor; a lunch could be put up and the song books might be taken along and make the woods resound with merry voices and glad hearts.

—The wheat is looking well and will shortly be ready for the harvesters.

—A little rain would not hurt at the present time.

—A swarm of bees passed over the Paston place last Sabbath, coming from the direction of Mr. Lupardus place. There was an attempt made by one of Mr. Richardson's, Patterson's and Sullivan's boys to settle them, but they past over the hills and far away.

—In '77 the hogs died off in this section. In '78 the hogs. In '79 or the present year the cats; what will the death harvest be another year?

—Mr. McCommins has not returned, up to the present time, from horse searching.

—A Witt has found his young mule that has been gone since last April.

—Who is to be the sub-contractor of the mail route between Tusculumbia and Russellville, Mo.
